"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man can't afford to let a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the latest in what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.

HAVE THE DAVIS PRINTING HOUSE PRINT IT.

The abrogation of a contract of many years' standing by which the Pittsburgh Packet Company agreed not to pick up freight South of Pomeroy, the Northern terminus of the Cincinnati, Portsmouth, Big Sandy and Pomeroy Packet Company, may lead to a bitter rate war between the two roads. The Pittsburgh Company is fitting up a wharfboat at Coney Island and will discontinue the use of the Big Sandy at the foot of Broadway in Cincinnati. HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is not unusual to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boscée's German Syrup would put a stop to it at once?

No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in her or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25¢; large size, 75¢. For sale by Henry W. Ray, Postoffice Druggist.

Women Rejoice in Health and Beauty.

Zoa Phora Gives Perfect Health and Health Means Beauty for Women—They All Rejoice in its Wonderful Work.

Trial Bottle Free to Every Woman.

There is only one thing for a weak and suffering woman to do, and that is to use Zoa Phora. It makes no difference how many remedies you have tried or how many doctors have treated you that failed, Zoa Phora cures these cases one and all. Thousands upon thousands of letters from suffering women throughout the land prove this, so that none can fail to be convinced. It is the greatest blessing of the age for suffering women. It cures all irregularities, misplacements, painful and suppressed periods, makes childbirth easy, cures liver, bladder and kidney troubles and regulates the change of life. It will bring joy and health and happiness to any suffering woman just as it has always done and never failed to do.

Miss Florabel Blessing, 219 W. Lincoln St., Louisville, Ky., writes: "I am so glad to know that Zoa Phora has completely cured me of my physical suffering. I am perfectly regular now and I don't suffer at all at that time. I do not have ovarian pain any more, and the leucorrhea has entirely disappeared. I feel better now than I have in four years, and I know that it was Zoa Phora that cured me, and it will cure others if it cured me, because I know that nobody can suffer any more than I did, for I suffered death over and over. I would not be without Zoa Phora, for it is indeed 'Woman's Friend.'

"I will say that whoever don't believe Zoa Phora is a good medicine for women to take, they don't know what they are talking about, and whoever don't believe this statement, let them please write to me and I will certainly tell them the truth. If you will send addressed stamped envelope, I will answer any one who wants to write and find out if it is so."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Pengelly's Advice to Women." The doctor will gladly give free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.
